Students are strongly recommended to meet with their faculty advisor every semester.

Four (4) credit hours of required nuclear engineering courses in which a C- or lower is the highest grade earned may be counted toward graduation. This is in addition to the university's graduation requirements.

Students are required to maintain a cumulative grade point average of at least 2.0 in all nuclear engineering courses taken at the University of Tennessee, Knoxville used to satisfy the graduation requirement. No more than 16 hours of Upper Division courses may be accommodated.

Provisional Status Progression

A lower-division student may apply for progression to upper division after completing CHEM 122/123 or 128*, CHEM 132/133 or 138*, MATH 132/141/147*, MATH 142/148*, MATH 231/237, PHYS 231* with a grade of C or better in each, and an overall GPA of at least 2.5.

Full Status Progression

Full status students may also be used as technical electives.

Nuclear Graduation Requirements

Students are strongly recommended to meet with their faculty advisor every semester.

Volunteer Core courses highlighted in light orange.
