

Quiz Bowl Competition 2023

Sponsored by:

Tau Beta Pi, TN Alpha Chapter

Description:

The quiz bowl consists of three rounds of questions related to engineering and math. Teams that perform well in the first round continue to the second round and likewise to the third round where the team that scores the best wins the competition.

Rules:

- No cellphones or other electronic devices (other than calculators are permitted).
- Teams will consist of no more than four members.
- Participants must follow the instructions given by the Tau Beta Pi volunteers.
- Participants must arrive at the room in which the competition will be held with a sufficient margin before each round begins.

Scoring:

Scoring is based on number of questions answered correctly and there is no penalty for incorrect answers. Tie breakers are included at the end of rounds and the top few teams will continue to the next round. On the third round the top scoring team will win the competition without regards to scores on previous rounds.
