SMART Goals and Action Plan: Write one goal that is Specific, Measurable, Achievable, Relevant, and Time-bound. (Consider opportunities such as undergraduate research, design competitions, student organizations, student ambassadors, leadership opportunities, internships/co-ops, study abroad, community engagement, professional development, etc.)

My SMART goal:

Test

First action I will take:

Test

Support / resource I will use:

Test

Tip: Turn the goal into a weekly task, schedule a progress check, and ask for help early.

ADVISOR NOTES & NEXT STEPS

Capture recommendations, referrals, deadlines, and follow-up actions from this advising meeting.

Test

COMMITMENT

I will use this plan as a living guide and revisit it with my advisor.
